2. GRANT OF COPYRIGHT

By signing this Copyright Transfer Agreement, the Author(s) hereby transfer, assign, and grant to the International Journal of Transdisciplinary Science and Engineering (IJTSE) — the Publisher — the exclusive worldwide rights in all languages to publish, reproduce, distribute, display, transmit, and store the above-identified manuscript in all present and future forms and media, including electronic formats. This transfer takes effect from the date of acceptance for the full duration of copyright protection under applicable law.

3. RIGHTS RETAINED BY AUTHORS

Notwithstanding the copyright transfer above, the Author(s) retain the following rights:

a) To use the Work (or portions thereof) in their own future books, chapters, conference presentations, or classroom teaching, with proper citation to the original IJTSE publication.

b) To post the accepted peer-reviewed version to a personal or institutional repository after a 6-month e official publication, with a link to the published version.
c) To include the Work in a dissertation or thesis.
d) Patent rights over any devices or processes described in the Work.
e) To share the final published PDF for personal, non-commercial use.

4. AUTHOR WARRANTIES AND REPRESENTATIONS

The Author(s) warrant and represent that:

f) The Work is original and unpublished, and is not currently under consideration elsewhere.
g) The Work does not infringe any copyright, trademark, patent, or other intellectual property rights of any third party.
h) The Work does not contain unlawful, defamatory, or libellous content.
i) All co-authors have contributed substantially and agreed to be listed.
j) All data, results, and figures are authentic and have not been manipulated or fabricated.
k) Appropriate permissions have been obtained for any reproduced third-party material.
l) The Work complies with all applicable laws, regulations, and ethical guidelines.
m) All potential conflicts of interest have been fully disclosed.

5. OPEN ACCESS AND LICENSING

IJTSE publishes all articles under the Creative Commons Attribution 4.0 International License (CC BY 4.0). Under this license, others may copy, distribute, and adapt the Work provided appropriate credit is given. Authors who wish to request a different Creative Commons license must notify the editorial office at submission. By signing this Agreement, the Author(s) confirm acceptance of CC BY 4.0 licensing for their published Work.

6. FUNDING AND CONFLICT OF INTEREST

Funding Source(s) (if any): _____

Conflict of Interest:

☐ No conflict of interest to declare.

☐ Conflict of interest exists (please specify):

7. AUTHOR SIGNATURES

By signing below, each author confirms they have read and agree to the terms of this Copyright Transfer Agreement. All authors must sign. Electronic signatures are accepted.

AUTHOR UNDERTAKING AND DECLARATION FORM

International Journal of Transdisciplinary Science and Engineering (IJTSE)

Instructions: All authors must read each declaration carefully and sign at the end. This form must be submitted along with the manuscript. Incomplete forms will cause processing delays.

A. MANUSCRIPT INFORMATION

Manuscript Title: _____

Manuscript ID (if assigned): _____

Date of Submission: _____

Research Domain / Subject: _____

Number of Authors: _____

Number of Pages: _____

Number of Figures / Tables: _____

B. DECLARATION OF ORIGINALITY

We, the undersigned author(s), hereby solemnly declare and undertake the following:

1. **Originality:** The manuscript is entirely original work of the listed author(s) and has not been plagiarised or reproduced from any previously published work without proper citation.
2. **Prior Publication:** The manuscript or any substantially similar version has NOT been published previously in any journal, conference proceedings, book, or other publication medium (except as disclosed in Section C below).
3. **Simultaneous Submission:** The manuscript is NOT under consideration for publication elsewhere and will not be submitted until a final decision is received from IJTSE.
4. **Data Integrity:** All data, experimental results, statistical analyses, images, and figures are authentic, accurate, and have not been fabricated, falsified, or manipulated.
5. **Authorship:** All individuals listed as authors have made genuine, substantial intellectual contributions. No qualified author has been excluded, and no unqualified individual has been included (no guest, gift, or ghost authorship).
6. **Permissions:** All third-party content reproduced in the manuscript has been properly cited and required written permissions obtained from respective copyright holders.
7. **Research Ethics:** All research involving human participants, animals, or sensitive data was conducted in full compliance with applicable national and international ethical standards and institutional guidelines.
8. **Disclosure:** Any potential conflict of interest (financial, personal, institutional, or otherwise) that could influence the research or its interpretation has been fully disclosed.

C. PRIOR PUBLICATION DISCLOSURE (IF ANY)

If any part of this manuscript has been previously published in any form (thesis, abstract, preprint, etc.), provi
below. Write 'None' if not applicable.

Type of Prior Publication (thesis / abstract / preprint / other):

Title of Prior Work:

Published In / Available At:

Year:

D. ETHICAL APPROVAL AND RESEARCH COMPLIANCE

Does this research involve human participants?

☐ Yes — Ethics committee approval obtained. Approval No.: _____

☐ No

Does this research involve animals?

☐ Yes — Institutional Animal Ethics approval obtained. Approval No.: _____

☐ No

Does this research involve clinical trials?

☐ Yes — Trial registered at: _____ Trial ID: _____

☐ No

Was informed consent obtained from all participants?

☐ Yes

☐ No

☐ Not applicable

E. CONFLICT OF INTEREST DECLARATION

☐ No conflict of interest exists among any of the authors.

☐ One or more authors have a conflict of interest to disclose (specify below):

Source(s) of Funding:

☐ No funding was received for this research.

☐ Funding was received from:

F. GENERATIVE AI USE DISCLOSURE

In alignment with IJTSE editorial policy, authors must disclose any use of Generative AI tools (e.g., ChatGPT, Grammarly AI, Gemini, Copilot) in the preparation of this manuscript.

☐ No Generative AI tools were used in any part of this manuscript.

☐ Generative AI was used only for language/grammar editing (not for idea generation or data analysis).

☐ Generative AI was used for the following specific purposes (describe below):

Note: *AI tools cannot be listed as authors. All intellectual responsibility for the content rests solely with the human authors.*

G. UNDERTAKING STATEMENT

We, the undersigned author(s), have read the above declarations and hereby undertake to:

i. Accept full responsibility for the accuracy, integrity, and ethical compliance of the research reported.
ii. Notify the Editor-in-Chief immediately if any error, inaccuracy, or misconduct is discovered at any stage of the publication process.
iii. Co-operate fully with the editorial office in resolving any queries related to the manuscript.
iv. Comply with IJTSE's publication ethics policy, including the retraction and correction policy.
v. Not submit the manuscript elsewhere while it is under review at IJTSE.
